

## Welcome

Shipleys Arts Festival brings the community around Shipley together through music. The themes for 2014 are First World War Commemoration, local composers including Butterworth and Vaughan Williams and the eightieth anniversary of the death of Sir Edward Elgar.

We would like to express our sincere thanks to the Festival's sponsors and partners - Rupert Toovey, Exclusive Hotel Group, Knight Frank, West Sussex County Council, Horsham District Council, Windlesham House School, The Festival Friends, Colin and Lucy West and John Snelling.

### The 1696 Stradivarius

We are delighted to invite you to invest in a unique opportunity. If you would like to speak in confidence please call or email Andrew Bernardi who can forward syndication documents and Draft Trust Deeds for the violin. We are very grateful for Trethowans Private Client Solicitors and the leading Alternative Investment lawyers Hudsons for forming the Trust and answering any questions you may have. Our Stradivarius will enable the Shipley Arts Festival to become central to the UK cultural landscape and greatly amplify the opportunities we bring to people from all backgrounds in Sussex.
